

Dear Anne Edge,

The Hubb Foundation would like to send our sincere thanks for your very generous donation of £560.00 to support the vital work that we do within the city of Stoke-on-Trent.

Alongside our important work supporting children and families during all school holidays with holiday activities and food in school and community venues, we also support families with our Hubb Pot Slow Cooker Project. So far, we have provided 900 families with a 6-week supply of food through the Slow Cooker Project and due to the success of this, we will be running this project again this year.

Please get in touch using the details above if you would like to get involved in any of our projects, or if you would like more information on what we do.

With many thanks

*The Hubb Foundation Team*
